August 22, 2016
The below firms completed a formal merger on August 2, 2016.

The new company - *CI Architecture, Interior Design and Land Planning* - is comprised of 4 regional design firms that have a combined total of over thirty years of project collaboration.

Presently CI is working on over 7 projects and CI will be fully operational on 1/1/17.

CI has both the size (25) and the diverse expertise to creatively and economically address the complexities of today’s specialized building types, codes and client expectations.

CI will relocate to Camden, NJ. As part of the company vision, CI plans to increase its involvement in the City renaissance both professionally and on the charitable side.

Following is a summary of the 4 companies that comprise CI Architecture.

CI will locate in the historic State Bank of Camden, NJ at 121 Market Street.

CI is fully transforming the building interior into a state-of-the-art work place.
I dreamed in a dream, I saw a city invincible to the attacks of the whole of the rest of the earth;

I dreamed that was the new City of Friends;
Nothing was greater there than the quality of robust love – it led the rest;
It was seen every hour in the actions of the men of that city, And in all their looks and words.
